

## The R&A Women in Golf Charter

A commitment to a more inclusive culture within golf

We, Felwell Golf Club call on everyone involved in golf to play their part in developing a culture that values women and girls involvement in every aspect of the sport, from participating to pursuing a career.

- Our aim is to increase the number of women and girls playing and working in golf.
- To achieve this goal and to enable women to flourish throughout golf, we recognise the need for a fundamental shift in culture. There is a clear ethical need for change and the potential economic benefits of growing the sport through more women and girls playing are substantial.
- The R&A commits to playing a leading role in this process and to working with affiliates, partners and the wider golf industry towards achieving this goal.
- In signing this Charter, we Feltwell Golf Club commit to making tangible efforts to develop a welcoming and inspiring environment for women. We will do more to attract women into golf, to remain, and to have rewarding careers.
