**DRESS CODE**

Along with other Clubs around the country Feltwell Golf Club adopts a Dress code for the Golf Course and the Clubhouse and we encourage members, guests and visitors to abide by this Code. It is the responsibility of the members to remind guests and visitors of our Code. There is no hard and fast rule for clubs to follow, it is up to individual clubs to make their own Rules on Acceptable Wear on and off the Course to ensure that the appearance of all who use the club will not offend others.
