# New Club Captain: Roger Sloper

---

Not a good start to my year as Captain being ill. The last time I felt this rough was in the 70's when I had flu.

When the fog clears from my brain I will start work on my sub committees.

I have booked Haverhill Golf Club on Friday 11th August for Men's Day Out. The price will be forty three pounds including prizes for 25 plus players. Coffee and Bacon Rolls at 9 a.m. Tee off at 10.00 a.m. 18 holes, two course meal and prize giving. Being aware that groups like to play their own format, I will do the draw in groups of two or three.

With the new golfing year fast approaching you can be sure our green staff will do all they can to keep the course in top condition. We can also help by keeping litter off the course and pitch marks off the greens.

I would like to take this opportunity to wish the men, ladies and seniors luck in all their county matches - bring home the silver.

Thanks to Mick Ward's ingenuity, we now have a working fountain in the 7th pond along with new filters for the irrigation system.

I am not on Facebook or Twitter, so if you wish to contact me anytime you can do so through the office or by email.

Happy golfing  
Roger Sloper

# Ladies Captain: Maggie Ward

Hi

I am delighted to have taken on the role of your Ladies Captain for 2017. Having had knee surgery before Christmas I hope to be back playing regularly as soon as possible.

We have a very busy year ahead with lots of friendly matches as well as the usual club, county and national competitions. I do hope you will be queuing up to play!

By request, I have included social golf throughout the Spring and Summer and hope that this will be well supported. A list will go up inviting you to sign up if you would like to organise one of these events.

My Vice Captain Boo and I will do our best to ensure that the Ladies section has an enjoyable and successful year.

Happy golfing.

Maggie.

The Committee would like to thank the family of the late Trevor Nurse for the donation of his buggy and are pleased to announce that from August - January it raised four hundred pounds from the buggy hire.

Stuart Murphy is seen handing over the Trophy to the Club Captain. Stuart has donated this himself in memory of his father-in-law Trevor Nurse.

Maggie Ward & Roger Sloper have chosen "CRY" (Cardiac Risk in the Young) as their chosen Charity for 2017-2018

Steve Harvey underwent knee replacement surgery on Wednesday 15th February. Best wishes for a speedy recovery.

Our condolences to member Colin Bell who recently lost his wife after many years together.

Ryston Park Club Captain Pam Taylor & Ladies Captain Tracy Russell fund raised during their year for the Breast Care Unit at the QE Hospital raising a total of £2,475.00. Activities took place between February 2016- January 2017 with members taking part in "Wear Pink day", Raffles and Donations, as well as a member taking on 72 holes in one day.

The Breast Care Unit was chosen as the recipient of the proceeds due to its services being used by both members of the club and their families.

The club donates funds yearly to a different charity or organisation and had previously donated £1,500 to the Macmillan Cancer Care and Treatment Centre in 2014. Amy Burger, Consultant Breast & Reconstructive Surgeon, said: "This unit and the new equipment wouldn't be possible without help and fundraising we receive. We are very grateful for the donation which is most likely going towards new Biopsy equipment."
