* WHEN 2 LADIES JOIN AT THE SAME TIME

There's never been a better time for ladies to become full members of Withington. For 2009, when two ladies join at the same time, they pay just 50% each of the normal subscription.

PLUS there's no joining fee, so no large advance payment is required.

PLUS anyone who joins now can get up to 14 months for the price of 12. This means membership right through until the end of April 2010.

PLUS free membership for juniors, so when you join you can bring a junior relative (boy or girl) to the Club who can have FREE membership for a year.

Don't miss out on this unrepeatable offer - it's restricted to the first 20 ladies who apply. For more information, without obligation, call in or 'phone the Secretary's Office during office hours.
